### Who We Are

Join a team that puts its People First! Since 1889, First American (NYSE: FAF) has held an unwavering belief in its people. They are passionate about what they do, and we are equally passionate about fostering an environment where all feel welcome, supported, and empowered to be innovative and reach their full potential. Our inclusive, people-first culture has earned our company numerous accolades, including being named to the Fortune 100 Best Companies to Work For® list for nine consecutive years. We have also earned awards as a best place to work for women, diversity and LGBTQ+ employees, and have been included on more than 50 regional best places to work lists. First American will always strive to be a great place to work, for all. For more information, please visit [www.careers.firstam.com](http://www.careers.firstam.com).

### What We Do

First American is a global leader with a rich history from 1889. From our humble beginnings as a family business, we've grown into a \$6 billion enterprise with a worldwide footprint. Our diverse portfolio includes Title Insurance, Settlement Services, Lender and Servicer Solutions, Real Estate Data Solutions, Home Warranty and Insurance, Trust Services, and International Services. We're committed to driving the digital transformation of our industry through innovative technology.

Our Technology team is at the forefront of this transformation, working tirelessly to modernize the real estate title and closing process that leverage key Analytics solutions.

This summer, we're thrilled to offer internship programs to university students based near our Southern California headquarters, or anywhere in the continental USA. If you've ever considered a career in technology, this is a fantastic opportunity to gain hands-on experience.

### Internship Opportunity

Come join an exciting and transformative organization where the sky is the limit! By choice, we don't simply accept individuality – we embrace it, support, and thrive on it. In addition to focusing on you, our People First Culture celebrates collective diversity, equity, and inclusion not simply because it's the right thing to do but also because we believe it's the key to our success. We are proud to foster an authentic and inclusive workplace for all. First American is an equal-opportunity employer.

### The types of things you'll do

Data Analytics is a broad area with an extensive opportunity space. Each intern will have their unique mission refined before the start date, after an offer is extended and accepted. Here are some of the value adds you'll be working on:

- Leverage data tools to assess new business opportunities and help prioritize product initiatives.
- Analyze historical data trends to uncover patterns and forecast future changes.
- Develop interactive dashboards to provide insights for internal stakeholders and executives.
- Gain hands-on experience with Domo, learning how to build, manage, and optimize data visualizations.
- Integrate and structure data within dashboards to enhance reporting and decision-making.
- Perform data analysis and generate insights to support strategic, data-driven decisions.

### Basic Qualifications

- Currently pursuing a bachelor's or master's degree at an accredited university.
- Majoring in business, technology, or a related field is preferred.
- Prior exposure to best practices through hackathons, design challenges, university projects, or previous internships.
- Available full-time, 8-10 weeks for internship starting in early June 2025 and ending in August/September 2025.

### What's in it for you?

- **Competitive Pay:** We offer competitive industry pay for our internship program.
- **Industry Experience:** The rare opportunity to impact one of the most prominent players in the United States real estate market.

- **Mentorship & Buddy Program:** We're in this together. You will be coached by an experienced mentor and paired with a buddy to answer your questions along the way.
- **Networking:** A chance to build your network with intelligent and hardworking interns and First American employees who share your passion for technology.
- **Exposure:** Access to cutting-edge tools, learning and development resources, and the opportunity to present your project at our Intern Expo Day in front of First American leadership and fellow interns.
- **Extended Opportunities:** Possibility of continuing part-time with our work study internship program or joining our First American team as a full-time early career hire.

Pay Range: \$40.00 - \$45.00 hourly

This hiring range is a reasonable estimate of the base pay range for this position at the time of posting. Pay is based on a number of factors which may include job-related knowledge, skills, experience, business requirements and geographic location.

### **What We Offer**

By choice, we don't simply accept individuality – we embrace it, we support it, and we thrive on it! Our People First Culture celebrates diversity, equity and inclusion not simply because it's the right thing to do, but also because it's the key to our success. We are proud to foster an authentic and inclusive workplace For All. You are free and encouraged to bring your entire, unique self to work. First American is an equal opportunity employer in every sense of the term.

**\*\* Note that the following statements only apply to candidates who will be working from an unincorporated area within Los Angeles County. \*\***

First American will consider for employment all qualified applicants, including those with arrest or conviction records, in a manner consistent with the requirements of applicable state and local laws (e.g., the Los Angeles County Fair Chance Ordinance for Employers and the California Fair Chance Act).

First American intends to conduct a review of an applicant's criminal history in connection with a conditional offer. First American reasonably believes that a criminal history may have a direct, adverse and negative relationship with the following material job duties for this position potentially resulting in the withdrawal of the conditional offer of employment: handling of confidential, proprietary or trade secret information belonging to First American or its customers, administering or facilitating financial transactions, and the ability to meet customer-imposed criminal history requirements.

Based on eligibility, First American offers a comprehensive benefits package including medical, dental, vision, 401k, PTO/paid sick leave and other great benefits like an employee stock purchase plan.
